Maybe even better than free.

Keep your files private, or send your download links only to friends or family. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. So try our free and simple filehosting service now. Using file, you can circumvent those limits without paying to upgrade your team chat service. You decide who you want toshare your files with. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. It is also allowed to link to the download pagefrom websites and communities. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits tothe size of files that can be transferred within their apps. You can upload any type of file (movies, music, documents, images, zip files and more). Simplyupload your file and share the link. File is free to use with no gotchas and no hidden fees. filehosting provides an easy possibility for you to send large files toyour friends. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. You don't need any special software installed tobe able to download your files. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storagefees. If only we could, we surely would! On the other hand, using file can actually save you money. Files can be downloaded from any computer from our highspeed servers. There are no restrictions on the number of times a file can be downloaded. No account or credit card is required to get started. Just upload the fileyou want to share with your friends and we send you a download link to your file. Any file in any format can be uploaded and downloaded for free.Unfortunately, we can't make that part free. You can give this download link to your friends by mail or instant messenger. Alternatively you can choose toshare your download links on blogs, forums and social networking sites. We have no file size limit. Our service is completely free for everyone. The cost of thatdata transfer is covered by your internet service or the data plan on your phone.
