Maybe even better than free.

You can upload any type of file (movies, music, documents, images, zip files and more). Just upload the file you want to share with your friends and we send you a download link to your file. Our service is completely free for everyone. You can give this download link to your friends by mail or instant messenger. Unfortunately, we can't make that part free. filehosting provides an easy possibility for you to send large files to your friends. Files can be downloaded fromany computer from our high speed servers. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is beingtransferred between your computer or phone and our servers, then from our servers to your friends device. So try our free and simple filehosting service now. Ifonly we could, we surely would! On the other hand, using file can actually save you money. Using file, you can circumvent those limits without paying toupgrade your team chat service. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. You don't need any special softwareinstalled to be able to download your files. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. We have no filesize limit. No account or credit card is required to get started. Simply upload your file and share the link. You decide who you want to share your files with.Any file in any format can be uploaded and downloaded for free. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also,many team chat apps have limits to the size of files that can be transferred within their apps. Alternatively you can choose to share your download links onblogs, forums and social networking sites. The cost of that data transfer is covered by your internet service or the data plan on your phone. File is free to usewith no gotchas and no hidden fees. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storagefees. It is also allowed to link to the download page from websites and communities. Keep your files private, or send your download links only to friends orfamily. There are no restrictions on the number of times a file can be downloaded.
